

# EARTH HOUR

is not just liability switching off electrical appliances or how much quantity energy saved during the particular period. It (Earth Hour) aims to encourage an interconnected global community to share the opportunities and challenges of creating a sustainable world.

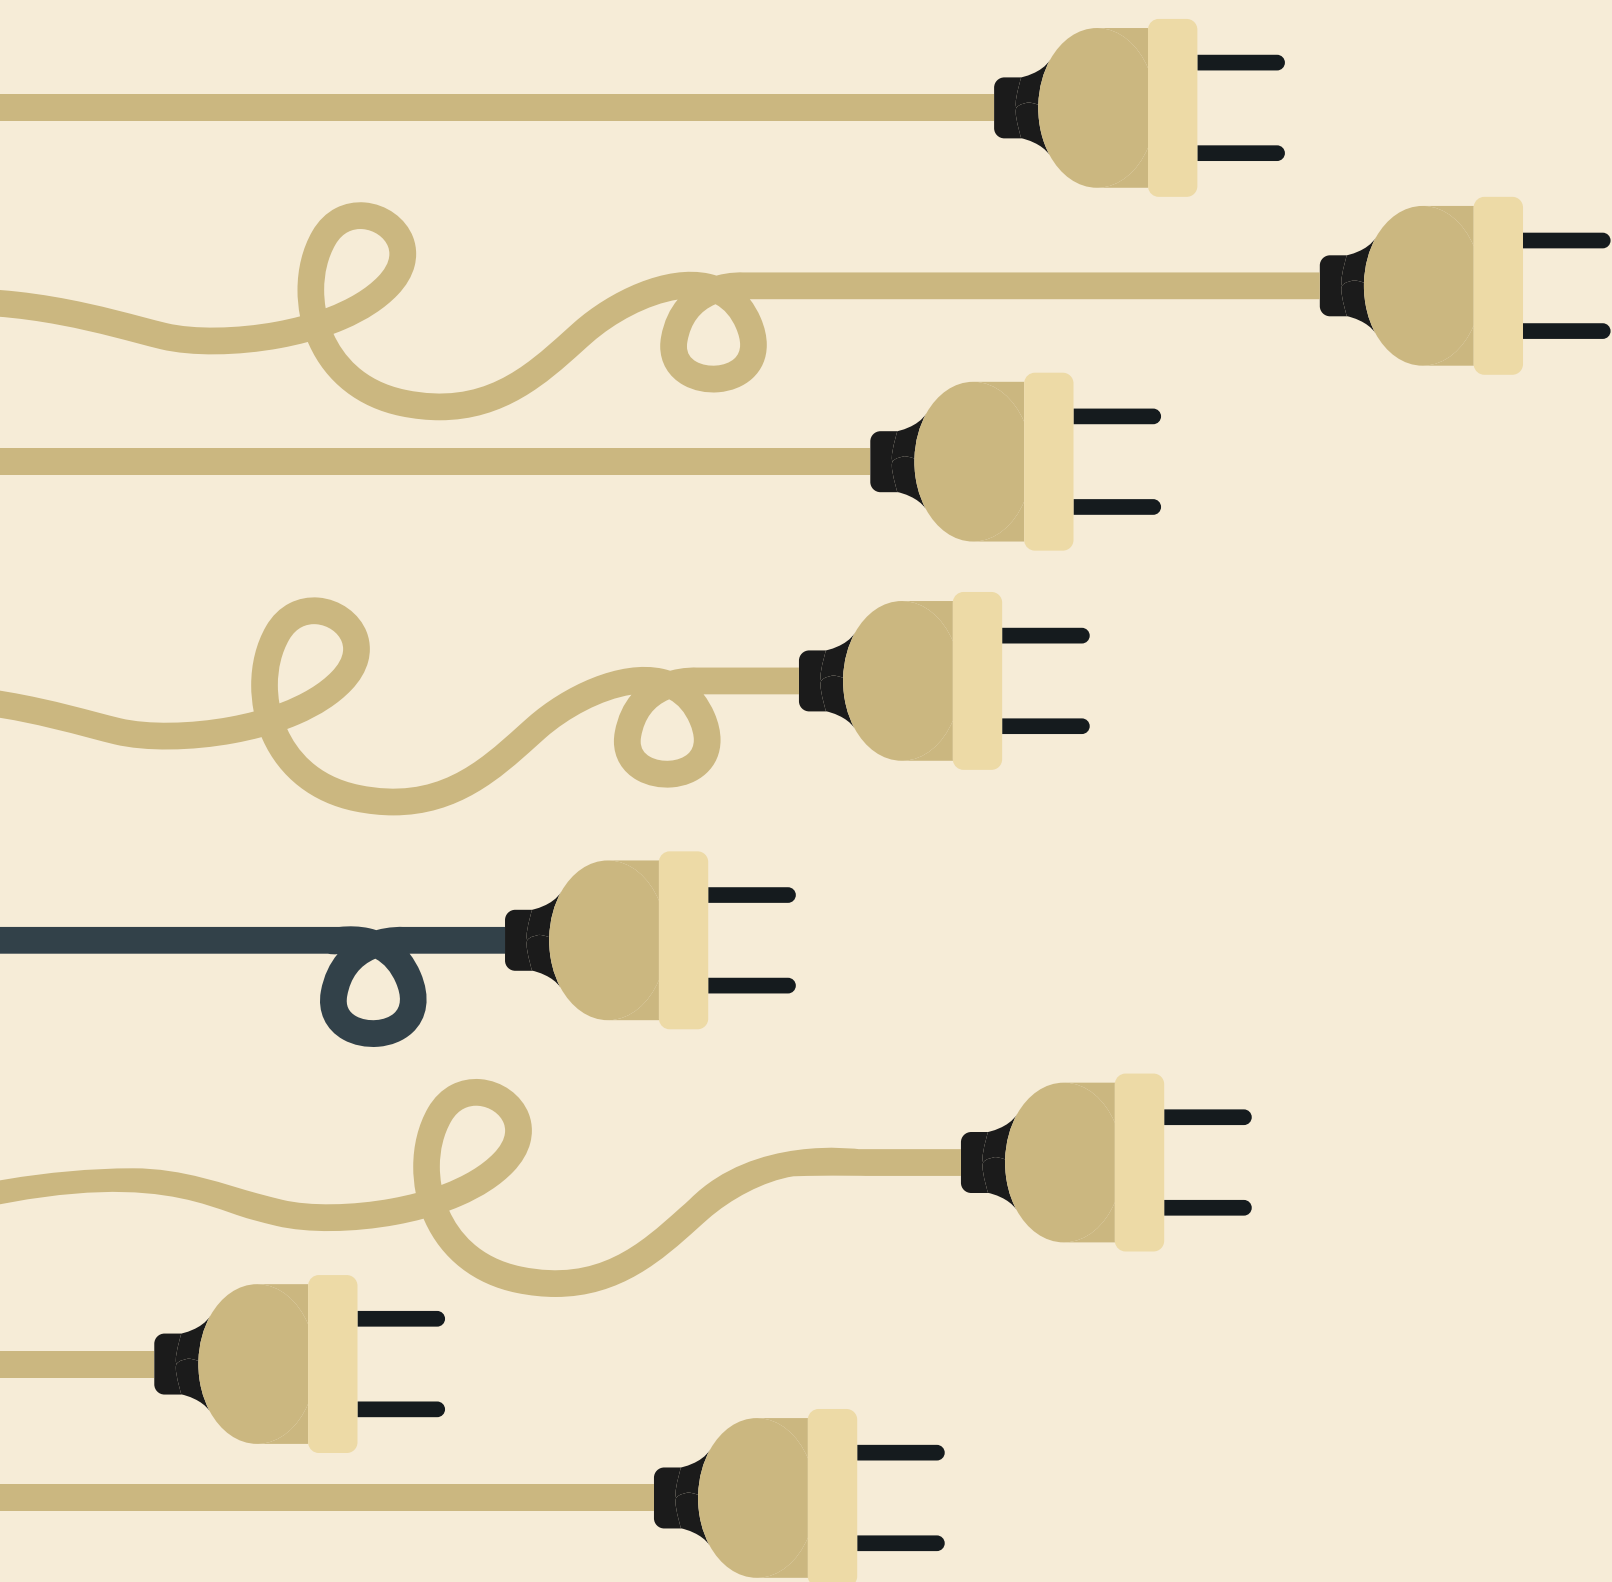

**KHADAMAT** actively participated in this worldwide grassroots movement in coordination with UAE University & our specialised contractors on

**24th March 2018**

by switching OFF the lights and other non-essential electrical loads for

**One Hour**

between 20:30 and 21:30 hours in UAEU New campus.

This year we managed to save around

**3536.27**  
kWh

=

**2892**  
Kgs

during EARTH HOUR

Greenhouse gas emissions to our mother earth.
